Additional information:

- Upgrades & Trade ins should be arranged by your local Cyrus retailer
- Upgraded and trade in products are given a two year manufacturers warranty from the completion date.
- QXR upgrades are given a 2 year warranty for the QXR card and 6 month warranty for the product from the completion date of the upgrade.
- Cyrus cannot take responsibility for damage caused in transit where packaging has been deemed insufficient and not in line with our packaging guidelines
- Quoted prices include UK mainland transit between the retailer and the factory. Shipping beyond the UK mainland may incur additional transportation costs
- Should payment for work carried out still not be received six months after completion, Cyrus Audio reserves the right to retain the product indefinitely in lieu of payment
- Prices quoted are valid in the UK only. If you are outside of the UK, please contact your distributor for options and pricing
- Cyrus reserves the right to refuse a product for upgrade for any reason
